Trump the Child Trafficker

The Clintons went to Donald Trump's wedding. Trump has donated at least 100,000 dollars to the Clinton Foundation and it states this on the Clinton Foundation website. Trump said he was going to lock Hillary Clinton up and has done nothing.

Trump has been a documented friend of Bill Clinton.

Bill Clinton with his friend Donald Trump.

Trump has Steven Mnuchin and had Gary Cohn and Dina Powell in his Administration and they were all top executives for Goldman Sachs. Trump nominated Goldman Sachs executive Jim Donovan to become Deputy Secretary of the US Treasury.

Trump appointed Jared Kushner as a senior adviser and his company RealCadre LLC was financed by George Soros and Goldman Sachs. Jared Kushner is also a Kabbalist Chabad member. Kushner's father Charles Kushner was arrested for tax evasion and witness tampering. Joshua Harris's Apollo Global Management financed Kushner Companies with hundreds of millions. Apollo Global Management owns what was once Blackwater and is a major investment company monopolizing industries.

Trump with the Bavarian Henry Kissinger who promotes depopulation and he has committed crimes against humanity. Trump's family bloodline was called Drumpf and from Bavaria.

Ivana Trump with Prince Manuel of Bavaria and his wife Princess Anna of Bavaria. The Golman and Sachs families that created Goldman Sachs were from the Kingdom of Bavaria ruled by the House of Wittelsbach.

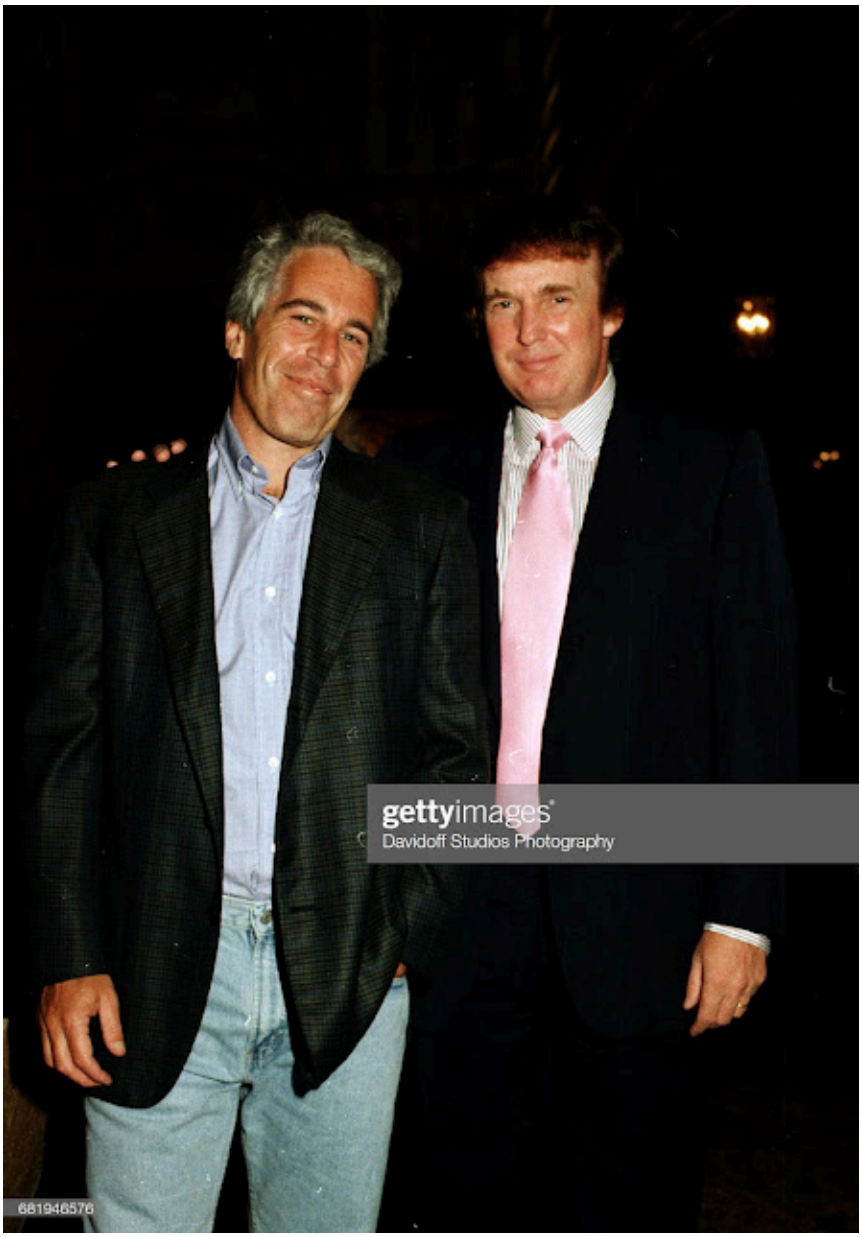
Stephen Schwarzman chaired for Trump's Strategic and Policy forum and the Jewish billionaire and Skull and Bones member Schwarzman founded Blackstone. Schwarzman has a home on 740 Park Avenue which is home to numerous billionaires and investment bankers. 740 Park Avenue is a headquarters for wealthy criminals like Schwarzman, David Koch, Ronald Lauder, and Steven Mnuchin. I believe there are underground tunnels connected to 740 Park Avenue used for trafficking underage sex slaves. Some of the most evil and wealthy criminals live there.

Trump is a strong supporter of Zionism.

Trump with Ronald Lauder a Zionist billionaire and President of the World Jewish Congress.

Trump and Kushner met with the Saudis and sold them hundreds of millions worth of missiles and then the Saudis increased their bombings on Yemen. After their meeting the Saudis invested 40 million into Blackstone and pledged to invest 1 billion in Blackstone which is owned by Stephen Schwarzman. That is fraud and bribery.

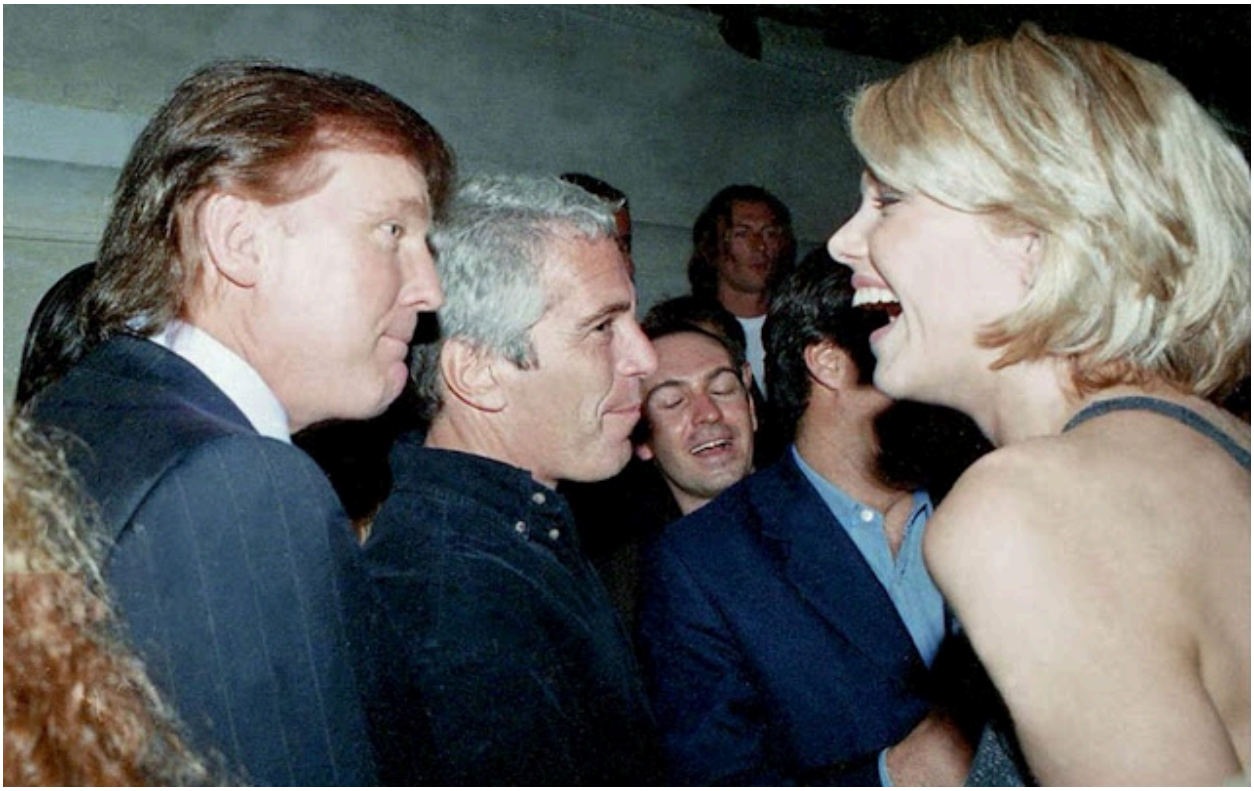
Trump has been advised by Erik Prince and Joseph Schmitz who is a Roman Knights of Malta and they were both Blackwater executives. Blackwater was involved in murdering Iraqi civilians and trafficking weapons. Joseph Schmitz was also Inspector General for the US Department of Defense under George Walker Bush.



Trump has connections with the convicted sex offender and pedophile Jeffrey Epstein and can be seen in photos with Epstein on 3 different occasions. Epstein is from the Eppstein noble family of Germany which ruled in Rodheim vor der Hohe, Germany which is where Hillary Clinton's Rodham name derives from.

Trump with Jeffrey Epstein again. Trump said “I’ve known Jeff for fifteen years,” “Terrific guy. He’s a lot of fun to be with. It is even said that he likes beautiful women as much as I do, and many of them are on the younger side.”

Alex Acosta is US Secretary of Labor under Donald Trump. Alex Acosta approved the plea deal with Jeffrey Epstein and then closed the investigation into a large scale sex trafficking network in Florida that was connected with Epstein. Many of Donald Trump's supporters claim Trump is shutting down child trafficking networks yet he employs people who are actually shutting down investigations into underage sex trafficking networks.



Trump with Epstein for the third time. Trump was named in a lawsuit against Epstein.

Donald Trump with his business associate Tevfik Arif who was previously charged with running a prostitution ring of young Eastern European women including underage girls off Turkish yachts. Arif was later acquitted after the girls were reportedly threatened and refused to testify.

Thousands of illegal immigrant children from Mexico and Latin America have been held in former Walmarts and government facilities under the Trump presidency. A few days after the media reported on Trump holding hundreds of children in former Walmarts Trump had a meeting with the Spanish House of Bourbon and King Felipe VI of Spain. Mexico and most of Latin America was part of the Spanish Empire. The Bourbons and the fascist dictator Franco stole hundreds of thousands of newborns from mothers at hospitals. Franco installed the Bourbons to rule Spain after he caused the civil war. The Francos married with the Bourbons and are French and Spanish nobles today. Both the Bourbons and Franco were involved in kidnapping hundreds of

thousands of newborns which occurred under their authority at Roman Catholic Spanish hospitals.

Melania Trump visited the detention camps where Trump has been holding illegal immigrant children including children separated from their parents under Donald Trump's Zero Tolerance policy. Melania Trump's jacket said "I really don't care, Do u?" Donald Trump is a child trafficker who specifically took children away from their parents. A later defense that the Trumps have tried to make is they were taking children away from child traffickers. So why has Trump and the federal agencies including ICE never provided evidence of the investigation and arrests of these child traffickers and why was this not said at the beginning.

Donald Trump is a multi billionaire and an international businessman as well as the essence of everything he pretends to be against.

The Russian Mafia in New York pay tributes to Cosa Nostra through the Lucchese crime family which offer them protection. The Russian billionaire and Communist Aras Agalarov's son Emin Agalarov set up a meeting with the Russian lawyer Natalia Veselnitskaya and Trump Jr, Kushner, and Paul Manafort. Trump bombed Afghanistan with the MOAB's and has also bombed Syria. Trump has continued carrying out drone strikes around the world. Ivanka Trump supported bombing Syria. The military under the Trump Administration has bombed Syria and murdered innocent civilians including children. Ivanka Trump is a nasty and insolent child murdering devil and her father traffics children to her and his wife which they cannibalize. Satanic or Luciferian women like Ivanka Trump are the number one customers of child traffickers.
